Key learning from Comic relief :

- Money is raised to help others in the UK and around the world
- Look at pictures and talk about what we have to be thankful for. Look at pictures of the world with people who are less fortunate, how could we help them?
- We can help people everyday showing love and kindness.

How will this change how we do things in class or around school?

- Discuss ways how we can help each other around school showing respect and kindness to all
