

Dear All,

We hope you've all had a good week!

Thank you for your amazing support at the summer fair this week we raised just over £900 and that means we had over £2000 to put towards the cost of the playground gym...very appropriate as this week saw us welcome the Ella Toone football foundation , a GB cyclist and of course our very own sports days!

Please remember the parental consultation appointments are next week and unfortunately these have to run to time or other parents become set back too. If you need more time please ask for an alternative time after school or next term to do this with the teacher.

We have lots of exciting work being done inside the building this summer so hopefully we will have more to write home about (literally!) in September.

Enjoy the last weekend before the summer...please help us with our expectation of full school uniform and school PE kits so we end the year on a high!

Enjoy the weekend!
