WEEKLY INFORMATION NEWSLETTER

DATE: 9th May, 2025

Dear All,

Thank you for supporting the wonderful 80th VE Day anniversary Street parties this week there are some excellent pictures and videos on our Instagram feed of these.

This week we have needed to intervene or follow up on several issues stemming from the time before school starts when we allow access to the front yard. Please can we remind all parents that until the children are handed over to the class teacher at the classroom door that all children are the responsibility of their parents. Please keep your children with you and supervised so that the front yard is calm and safe for everyone. We have contacted several homes this week to remind parents of this responsibility and request even if they allow their child to walk to school. Shortly we will be sending out our new policy regarding the plans for September, for children walking to and from school.

Finally, please get in touch with me via the school office if you could volunteer your time for the local community with our repair shop idea or the Community cook....this week saw a landmark with us passing the number of cooked meals we've provided, to over 500 meals so far for the homeless of Manchester. You can volunteer your time to support with these or donate food items too! Why not join in and let's see what we can make happen!

Good luck to all the children taking their SATs next week in Y6...you'll do your best and that's all we ask!

I'm sure there will be a little reward waiting if you do...

Please remember to collect children at 3.15pm.

From January 2025, any child not collected by 3.25 will be signed into 'Night Owls' and parents will be invoiced for this service

A final Prayer for the week: Reception Class

Dear God,
 Thank you for our family, friends and teachers who we can trust to help us when we need them.
 Please guide us when people need to trust us to make good choices. Sorry for when we have broken people's trust.

Amen
