

ASPIRE Curriculum - Key Principles:

A whole school curriculum with high expectations and excellence delivered rigorously through well sequenced subjects, progression in generative knowledge, rich vocabulary, concepts and skills,

Stimulating enquiring minds by providing rich and relevant experiences, purposeful and connected learning, and creative thinking

Placing nurturing, lifelong learning behaviours – resilience, risk taking, independence, perseverance, and pride in success - at the heart of our curriculum

Inclusivity and flexibility which allows us to cater for individual needs, abilities and interests

Revisiting key knowledge, skills and vocab, so pupils know more and remember more

Encompassing the Whole Child – developing their faith, values, spirituality, health and well-being, and understanding of the world we live in, their future role in our culturally diverse community and country where equality and tolerance is promoted

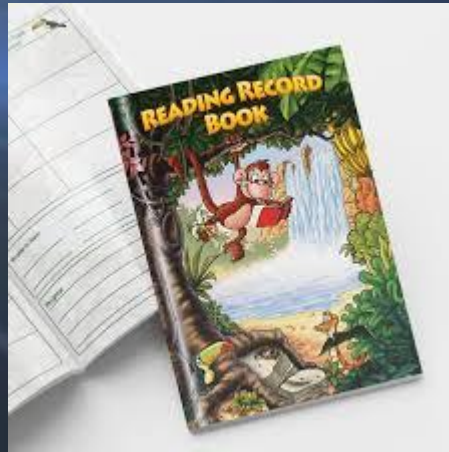

Luke 1:37 "For with GOD nothing shall be impossible"

Reading at School

- Please keep your child's reading record and book in their bags so they can be changed with their Phonics group.
- Please sign your child's Reading Record every time they read so they can get their raffle tickets.
- Library day is on a Wednesday. Please make sure your child's library book is brought back so they can choose another story to take home
